

VETiS Funding Eligibility

Funded by the Department of Employment, Small Business and Training, the VETiS program covers training fees for VET courses that are aligned to jobs and skills in demand, putting secondary school students on a path to employment and further VET opportunities.

The College of Sport & Fitness is approved as a Skills Assure Supplier (SAS) to deliver **SIS20321 Certificate II in Sport Coaching** as a Vocational Education and Training in Schools (VETiS) funded qualification. The **SIS30521 Certificate III in Sport Coaching** qualification is delivered as 'Fee for Service' only and invoiced either to the individual student or to their school.

Under the SAS system, funding follows the eligible student to their chosen SAS and is paid directly to the SAS on submission of the student's validated training data.

WHO IS ELIGIBLE TO RECEIVE FUNDED TRAINING?

To be eligible to access a VETiS qualification funded by the Queensland Government, prospective students must:

- Be currently enrolled in secondary school, in Year 10, 11 or 12;
- Permanently reside in Queensland;
- Be an Australian citizen, Australian permanent resident (includes humanitarian entrant), temporary resident with the necessary visa and work permits on the pathway to permanent residence, or a New Zealand citizen.

VETiS qualifications funded by the VET investment budget are fee-free for students. The VET investment budget will provide funding for students to complete one VETiS qualification listed on the Priority Skills List while attending secondary school (in Years 10, 11 and 12). This means if you have previously utilised your VETiS subsidy with another qualification that you have completed – then you would be:

- Ineligible for this program to be offered as a VETiS-funded qualification, however
- You are still able to enrol into the Certificate II program as a 'fee for service' student at the relevant price for your school
